LETTER TO SHAREHOLDERS

SHAREHOLDERS ARE ADVISED TO READ THIS CIRCULAR CAREFULLY AND IN ITS ENTIRETY BEFORE DECIDING WHETHER TO VOTE FOR OR AGAINST THE PROPOSED TRANSACTIONS

2. THE PROPOSED LAND PARCEL DISPOSAL

2.1 Background

On 12 April 2023, the Company announced the disposal of 90,000 square metres of land forming part of the Group's 328,956 square metre waterfront fabrication yard on the eastern side of Batam Island, Kabil (the "**Batam Shipyard**", and such disposal the "**First Land Parcel Disposal**").

Shareholders approved the First Land Parcel Disposal at the extraordinary general meeting of the Company on 21 July 2023. As at the Latest Practicable Date, completion of the First Land Parcel Disposal has yet to occur. The Company will keep Shareholders updated on any material developments relating to the First Land Parcel Disposal. Following the completion of the First Land Parcel Disposal, the Batam Shipyard will comprise 238,956 square meters.

On 23 June 2023, the Company announced that its wholly-owned subsidiary PT Nexus Engineering Indonesia (the "**PT Nexus**") had, on 21 June 2023, entered into a term sheet (the "**Term Sheet**") with PT Bukit Batu Mulia for the sale of a further 100,970 square metres of land (the "**Land Parcel**") forming part of the Batam Shipyard, (such disposal the "**Proposed Land Parcel Disposal**").

It was further announced on 16 August 2023 that in connection with the Proposed Land Parcel Disposal, PT Nexus had, on 4 August 2023, entered into a sale and purchase agreement (the "**Land Parcel SPA**") with PT Solid Marine Indonesia (the "**Land Parcel Purchaser**") as the nominee of PT Bukit Batu Mulia. Under the terms of the Land Parcel SPA, completion is conditional upon, among others, PT Nexus having obtained approvals from the Board and the Shareholders of the Company.

2.2 Information on the Proposed Land Parcel Disposal

2.2.1 Information on PT Nexus and the Batam Shipyard

PT Nexus is a wholly-owned subsidiary of the Company and holds the leasehold interest of the Batam Shipyard.

The Batam Shipyard is located at JL. Pattimura RT 01 / RW 04 Kampung Panau, Kelurahan Kabil, Kecamatan Nongsa, Batam 29467 and has a total area of 328,956 square metres, including a sea frontage of 23,256 square metres. The term of the lease for the Batam Shipyard expires on 18 April 2037, and has been fully paid in advance.

As stated above, the Company is in the process of completing the First Land Parcel Disposal and expects completion to take place no later than 31 March 2024. The land parcel subject to the First Land Parcel Disposal comprises 27.36% of the total land area (the "**First Land Parcel**").

LETTER TO SHAREHOLDERS

The Land Parcel has a total area of 100,970 square metres which is approximately 30.7% of the total land area comprising the Batam Shipyard, including sea frontage and the First Land Parcel. In aggregate, the total land area that will be disposed by the Group under the First Land Parcel Disposal and the Proposed Land Parcel Disposal comprises 58.05% of the total land area of the Batam Shipyard (including sea frontage). Please refer to section 2.9 for more details on the financial effects of the First Land Parcel Disposal and the Proposed Land Parcel Disposal.

As a condition to completion of the Proposed Land Parcel Disposal, the Batam Shipyard will be subdivided into two smaller land parcels and the Land Parcel Purchaser will purchase the Land Parcel from PT Nexus. Upon Completion, PT Nexus will be the registered proprietor of the remainder of the Batam Shipyard (i.e. the area of the Batam Shipyard after the First Land Parcel Disposal and Proposed Land Parcel Disposal).

As at the Latest Practicable Date, the Company is in the process of obtaining the necessary approvals for the subdivision of the Batam Shipyard into smaller land parcels. The Company expects to obtain such approvals by end October 2023, in any case prior to completion of the Proposed Land Parcel Disposal.

Please refer to **Appendix A (The Batam Shipyard)** for a diagrammatic representation of the Batam Shipyard, including the land comprising the First Land Parcel and the land comprising the Land Parcel. Following completion of the First Land Parcel Disposal and the Proposed Land Parcel Disposal, the Batam Shipyard will comprise an area of 137,986 square meters (including sea frontage of approximately 211 square metres).

2.2.2 Information on the Land Parcel Purchaser

The Land Parcel Purchaser is 99.0% and 1.0% owned by PT Bukit Batu Mulia and PT Solid Tambang Indonesia respectively. Both PT Bukit Batu Mulia and PT Solid Tambang Indonesia are 49.0% and 51.0% owned by George Santos and Summit Excellent Enterprises Ltd respectively.

Summit Excellent Enterprises Ltd is ultimately associated and affiliated with the Nanshan Group of China. The Nanshan Group is a large-scale private joint-stock enterprise listed in the Chinese Federation of Enterprises (CFE)'s Top 500 Chinese Enterprises. The Nanshan Group is in the business of aluminium processing, fabric and garment manufacturing and processing, real estate, finance, scientific research, education, tourism and health preservation.

George Santos is the founder/owner of the Indonesia Solid Group based out of Batam and Riau Indonesia and is engaged in various business activities spanning mining, shipping, constructions, concrete batching, asphalt and stone quarry.

None of the Land Parcel Purchaser, PT Bukit Batu Mulia, PT Solid Tambang Indonesia or their respective shareholders are "interested persons" of the Company for purposes of Chapter 9 of the SGX-ST Listing Manual. There is also no connection between the Land Parcel Purchaser, PT Bukit Batu Mulia, PT Solid Tambang Indonesia and the First Land Parcel Purchaser, its directors and/or its substantial shareholders.

LETTER TO SHAREHOLDERS

2.2.3 Information on the Introducer

The Company was introduced to the Land Parcel Purchaser by an independent third party, Andro Yeo (the "**Introducer**"). The Introducer had approached the Company when he became aware of the Company's intention to sell part of the Batam Shipyard. The Company has agreed to pay the Introducer an introducer fee on a success basis amounting to approximately 1.0% of the Land Parcel Consideration (as defined below), which shall be paid to the Introducer within 14 days of completion of the Proposed Land Parcel Disposal. The Introducer is not related to any Director or substantial shareholder of the Company.

2.3 **Principal terms of the Proposed Land Parcel Disposal**

2.3.1 Aggregate value of consideration

In accordance with the terms of the Land Parcel SPA, the consideration payable under the Proposed Land Parcel Disposal is S\$9,895,060 (based on the rounded area of 100,970 square meters at S\$98.00 per square meter)¹ to be satisfied in cash (the "**Land Parcel Consideration**") as follows:

- (a) 1.0% of the Land Parcel Consideration or S\$98,951 (the "**Booking Fee**") was paid by the Land Parcel Purchaser upon the signing of the Term Sheet;
- (b) 9.0% of the Land Parcel Consideration or S\$890,555 (together with the Booking Fee, the "**Downpayment**") was paid by the Land Parcel Purchaser on 9 August 2023. Please refer to section 2.3.3 on when the Downpayment would be refundable; and
- (c) 90.0% of the Land Parcel Consideration or S\$8,905,554 is payable upon completion of the Proposed Land Parcel Disposal.

The Land Parcel Consideration was arrived at on a willing buyer and willing seller basis after arm's length negotiations between PT Nexus and the Land Parcel Purchaser, taking into account, *inter alia*, the following factors:

- (i) the prevailing market conditions;
- (ii) the fair value of the Land Parcel, based on the Valuation Report (as defined below) dated 16 February 2023, based on an inspection conducted on 16 January 2023;
- (iii) the fact that the Land Parcel comprises part of the Batam Shipyard that has remained underutilized since 2014 due to downturn in the offshore oil and gas sector. As at the Latest Practicable Date, the Group no longer uses the Batam

¹ This is compared to the S\$96.00 per square meter as agreed between the Land Parcel Purchaser and the Group for the sale of the First Land Parcel under the First Land Parcel Disposal.

LETTER TO SHAREHOLDERS

Shipyard for shipbuilding operations and mainly uses the Batam Shipyard for berthing and the cold stacking of its customer's vessels (i.e. the storage of its customer's vessels); and

- (iv) the Group's immediate and future business needs. Please refer to section 2.7 of this Circular for the rationale for the Proposed Land Parcel Disposal.

2.3.2 Conditions Precedent

Under the terms of the Land Parcel SPA, completion of the Proposed Land Parcel Disposal is conditional upon the fulfilment of the following material conditions:

- (a) PT Nexus having obtained approvals from the Board and the Company's shareholders for the consummation of the Proposed Land Parcel Disposal; and
- (b) PT Nexus having obtained all necessary governmental and regulatory approvals (including from the SGX-ST and relevant Indonesian authorities such as the Batam Free Trade Zone and Free Port Authority).

2.3.3 Refund of Downpayment

Under the Land Parcel SPA, the parties have agreed to the repayment or forfeiture (as the case may be) of the Downpayment as follows:

- (a) PT Nexus's failure to obtain any relevant approvals (including Shareholders approval) by 31 December 2023.

PT Nexus must refund the Downpayment plus interest in the event completion of the Proposed Land Parcel Disposal does not occur before 31 December 2023 due to the failure by PT Nexus to obtain any necessary approval or consent from any parties applicable to PT Nexus or the Land Parcel in respect of the Proposed Land Parcel Disposal (including the approval of Shareholders or the approval from the Batam Free Trade Zone and Free Port Authority) ("**Long-stop Date**"). PT Nexus does not have a right to extend such Long-stop Date without the consent of the Land Parcel Purchaser.

The interest shall be calculated based on the interest rate of Bank Indonesia (SBI) applicable at that time ("**BSI Rate**"), and the Downpayment and the interest must be paid within fourteen (14) days from the rejection of any necessary approval or consent from any parties applicable to PT Nexus. Assuming a BSI Rate of 5.56% per annum, in the event PT Nexus fails to obtain such approvals by the Long-stop Date, the interest payable by PT Nexus is approximately S\$22,605.

- (b) PT Nexus or the Land Parcel Purchaser terminates the Land Parcel SPA prior to the Long-stop Date

If the terminating party is PT Nexus, PT Nexus is obligated to return the Downpayment plus a sum equal to half of the Downpayment to the Land Parcel

LETTER TO SHAREHOLDERS

Purchaser. In such an event, PT Nexus would be obligated to pay the Land Parcel Purchaser an amount equal to approximately S\$1.48 million.

If the terminating party is the Land Parcel Purchaser, 50.0% of the Downpayment is forfeited and PT Nexus must return the other 50.0% of the Downpayment to the Land Parcel Purchaser within 14 days.

In addition, PT Nexus is providing certain warranties relating to the Land Parcel, including that PT Nexus has the right and full authority to sell the Land Parcel, that the Land Parcel is free from encumbrances and not sold or transferred to any other parties. In the event any such warranties are not true, PT Nexus will have to refund the Downpayment plus interest to the Land Parcel Purchaser, and the Land Parcel SPA will become void.

2.3.4 Other terms

In addition, the Proposed Land Parcel Disposal is subject to tenancy. PT Nexus has leased part of the land area of the Land Parcel to PT Buana Cipta Mandala (the "**PT Buana**") under the terms of a lease agreement dated 1 February 2023 (the "**Existing Lease**"). The Existing Lease expires on 31 January 2024. It is a term of the Land Parcel SPA that the Land Parcel Purchaser shall, within 14 days from the date of the Land Parcel SPA, enter into either (a) a renewal agreement to renew the term of the Existing Lease (the "**Renewal Agreement**"); or (b) mutually agree to a termination with PT Buana, however the Land Parcel Purchaser shall permit PT Buana to complete its existing projects or works on the Land Parcel until 31 April 2024, representing a three month extension to the term of the Existing Lease.

As at the Latest Practicable Date, the Company understands that the Land Parcel Purchaser will not be entering into a Renewal Agreement with PT Buana, and the Land Parcel Purchaser will be permitting PT Buana to complete its existing projects or works on at the Land Parcel until 31 April 2024. PT Nexus will novate the Existing Lease to the Land Parcel Purchaser, and the Land Parcel Purchaser will then enter into an agreement to extend the lease with PT Buana.

2.4 Independent Valuation

The Company has commissioned KJPP Toto Suharto & Rekan (the "**Independent valuer**"), to perform a valuation of the Batam Shipyard.

The Independent Valuer is an official member of the Public Appraiser Service Office of the Republic of Indonesia (Kantor Jasa Penilai Publik (KJPP)). The valuation performed by the Independent Valuer is in accordance with the Indonesian Appraisal Code of Ethics (KEPI) and Indonesian Appraisal Standards (SPI) Edition VII-2018.

Based on the valuation report prepared for PT Nexus by the Independent Valuer dated 16 February 2023, based on an inspection conducted on 16 January 2023 (the "**Valuation Report**"), the fair value of the Batam Shipyard (comprising the land and the buildings) as at 31 December 2022 (i.e. prior to completion of the First Land Parcel Disposal) is IDR 411,506,600,000 (being S\$35.30 million based on an exchange rate of S\$1:IDR11,659).

LETTER TO SHAREHOLDERS

Shareholders are advised to read and consider the Valuation Report issued by the Independent Valuer in respect of the valuation of the Batam Shipyard carefully. A copy of the Valuation Report was appended to the Company's circular in relation to the First Land Parcel Disposal, which was despatched to Shareholders and published on SGXNet on 7 July 2023. A copy of the Valuation Report is also available for inspection at the registered office of the Company. Please refer to section 9 of this Circular for more information.

The Valuation Report valued the total land area of the Batam Shipyard (prior to completion of the First Land Parcel Disposal) at approximately S\$75.48 per square metre. This in turn values the Land Parcel at approximately S\$7.38 million. In addition, the Land Parcel includes two slip ways which, based on the Valuation Report, is valued at S\$1.0 million. Based on the foregoing, this imputes an approximately S\$8.38 million value on the Land Parcel.

As at the Latest Practicable date, the Board is satisfied that the Valuation Report continues to be relevant and that the Land Parcel Consideration for the Proposed Land Parcel Disposal is still fair as the Land Parcel Consideration was agreed between the parties at the date of the Term Sheet (being 21 June 2023). This date was within 6 months from the date of the Valuation Report and there has been no change to the Land Parcel Consideration since the Term Sheet was entered into. In addition, nothing has come to the Board's attention that would materially affect the Board's view that the Valuation Report continues to be relevant and that the Land Parcel Consideration for the Proposed Land Parcel Disposal is fair.

Notwithstanding the above, the Independent Valuer has on 26 September 2023 issued a confirmation letter (the "**Confirmation Letter**") under which it confirmed the fair value of the Land Parcel as at 20 September 2023 (excluding the buildings and the slip ways) as IDR89.07 billion (being S\$7.6 million at an exchange rate of S\$1:IDR11,659). Including the two slip ways, this would impute an approximately S\$8.6 million value on the Land Parcel.

The Company notes that the Land Parcel Consideration is above the valuation ascribed to the Land Parcel based on the Valuation Report and the valuation ascribed to the Land Parcel under the Confirmation Letter.

The Valuation Report defines "fair value" as the price that will be received from the sale of asset or paid for the transfer of liabilities in an orderly transaction among market participants on the measurement date, which definition is in accordance with Indonesia Appraisal Standards.

The Independent Valuer utilised a cost approach to determine the fair value of the Batam Shipyard. The Independent Valuer has indicated that the cost approach is the most suitable approach to use, given the characteristics of the asset, among others. In comparison, the market approach was considered to be infeasible as the comparative data was not available on site while the income approach was not applicable as the asset does not result in direct income.

2.5 Value of the Land Parcel

Based on the unaudited management accounts of PT Nexus for 31 December 2022, the net book value of the Land Parcel is S\$4.68 million (as compared to the net book value of the First Land Parcel of S\$0.6 million). The net book value for the Land Parcel is higher than that of the First Land Parcel as the Group incurred higher yard development costs for the Land Parcel. The Batam Shipyard is largely sited on reclaimed land, and the costs of such land reclamation is higher the

LETTER TO SHAREHOLDERS

further the land is from the shore, The Land Parcel Consideration (approximately S\$9.89 million) represents a S\$5.21 million excess over the net book value of the Land Parcel (approximately S\$4.68 million) as at 31 December 2022, before deducting for applicable taxes and legal fees and other related expenses in connection with the Proposed Land Parcel Disposal.

The Land Parcel comprises part of the Batam Shipyard that has remained underutilised since FY2014 due to downturn in the offshore oil and gas sector. As disclosed above, as the Group no longer uses the Batam Shipyard for shipbuilding operations and mainly uses the Batam Shipyard for berthing and the cold stacking of its customer's vessels (i.e. the storage of its customer's vessels), the Proposed Land Parcel Disposal will not have a material impact to the Group's operations.

2.6 Use of proceeds

As the Batam Shipyard is presently unencumbered, the Company intends to apply up to S\$5.0 million of the net proceeds of the Proposed Land Parcel Disposal ("**Net Proceeds**") to repay its bank and other borrowings (including the 2024 Bonds, as defined in the Company's announcement dated 28 October 2021), with the remainder to be used for general working capital purposes of the Group. The 2024 bonds mature on 5 November 2024. Please see the table below for a breakdown of how the Company intends to use the Net Proceeds of the Proposed Land Parcel Disposal:-

Use of Net Proceeds	Amount (\$S'000)	As a percentage of Net Proceeds
Repay its bank and other borrowings	2,000 - 5,000	21% - 53%
General working capital of the Group	4,449 – 7,449	47% - 79%
Total	9,449	100%

As disclosed by the Company in its Annual Report, the Board is pursuing cost minimisation and deleveraging initiatives, while focusing on monetising fixed assets to achieve an asset light business. The Proposed Land Parcel Disposal is a step in this direction, and the Company intends to continue pursuing such a strategy, which may include the sale of its other assets in the future. In the event the Proposed Land Parcel Disposal is not approved by Shareholders, the Company would have to seek alternative sources in order to repay its bank borrowings.

2.7 Rationale for the Proposed Land Parcel Disposal

The Proposed Land Parcel Disposal will be beneficial to and is in the best interests of the Company and the Group for the following reasons:

2.7.1 The Land Parcel comprises part of the Batam Shipyard that has remained underutilised since FY2014 due to the downturn in the offshore oil and gas sector. The Company believes that the Proposed Land Parcel Disposal is an opportunity for the Company to realise the value of the Batam Shipyard at a reasonable premium to its investment costs, so as to mitigate the challenges of evolving economic market conditions for the marine and oil & gas industry as a whole.

LETTER TO SHAREHOLDERS

2.7.2 The Proposed Land Parcel Disposal will enable the Group to substantially repay its bank borrowings and reap substantial interest savings as well as lowering the depreciation expenses as the Group transforms towards asset light strategy.

2.7.3 It will strengthen the Group as an on-going concern, via the strengthening balance sheet and net current liabilities.

2.8 Relative figures computed on the bases set out in Rule 1006 of the Listing Manual

The relative figures of the Proposed Land Parcel Disposal under Listing Rule 1006 of Mainboard Rules based on unaudited condensed interim financial statements of the Group for the six months ended 30 June 2023 (being the latest announced consolidated accounts), are set out below.

Rule 1006	Bases	Relative Figures (%)
(a)	Net asset value of the assets to be disposed of, compared with the Group's net asset value	76.23 ⁽¹⁾
(b)	Net profits attributable to the assets acquired or disposed of, compared with the Group's net profits	Not applicable ⁽²⁾
(c)	Aggregate value of the consideration given or received, compared with the Company's market capitalisation based on the total number of issued shares excluding treasury shares	67.12 ⁽³⁾
(d)	Number of equity securities issued by the Company as consideration for an acquisition, compared with the number of equity securities previously in issue	Not applicable
(e)	The aggregate volume or amount of proven and probable reserves to be acquired, compared with the aggregate of the Group's proven and probable reserves	Not applicable

Notes:

- (1) The net asset value of the Land Parcel is approximately S\$4.68 million as at 30 June 2023 and the Group's net asset value attributable to Shareholders as at 30 June 2023 is S\$5.56 million.

- (3) The aggregate value of the Land Parcel Consideration is S\$9.89 million. The market capitalisation of the Company on the Market Day preceding the date of the Term Sheet was S\$14.74 million.

As the relative figure under Rule 1006(c) of the Mainboard Rules exceeds 20.0%, the Proposed Land Parcel Disposal constitutes a "major transaction" as defined in Chapter 10 of the Mainboard

LETTER TO SHAREHOLDERS

Rules, and the Company is seeking shareholder's approval for the Proposed Land Parcel Disposal.

2.9 Financial effects of the Proposed Land Parcel Disposal

The proforma financial effects of the Proposed Land Parcel Disposal on the net tangible asset ("NTA") per share and the loss per share ("LPS") of the Company are set out below. The proforma financial effects have been prepared based on:-

- (a) the audited consolidated financial results of the Group for 31 December 2022; and
- (b) the unaudited management accounts of PT Nexus for 31 December 2022.

2.9.1 Net Tangible Asset

NTA	Before the First Land Parcel Disposal and the Proposed Land Parcel Disposal	After the First Land Parcel Disposal, but before the Proposed Land Parcel Disposal	After the First Land Parcel Disposal and the Proposed Land Parcel Disposal
NTA ⁽²⁾ (S\$'000)	6,144	13,836 ⁽³⁾	18,601 ⁽⁴⁾

NTA per Share (cents)	3.08	6.95	9.34

Notes:

- (1) As at the Latest Practicable Date, the Company does not have any treasury shares or subsidiary holdings.
- (2) NTA attributable to the shareholders, excluding minority interests.
- (3) The increase in NTA is due to the net gain on disposal as a result of the First Land Parcel Disposal. The consideration under the First Land Parcel Disposal represented a S\$7.69 million excess over the net book value of the First Land Parcel as at 31 December 2022 after deducting for applicable taxes and legal fees and other related expenses.
- (4) The increase in NTA is due to the net gain on disposal as a result of the Proposed Land Parcel Disposal. LETTER TO SHAREHOLDERS

2.9.2 Loss per Share

For illustrative purposes only, the proforma financial effects of the Proposed Land Parcel Disposal on the consolidated losses of the Group, assuming that the Proposed Land Parcel Disposal had been completed on 1 January 2022, being the beginning of the most recently completed financial year, are set out below:

LPS	Before the First Land Parcel Disposal and the Proposed Land Parcel Disposal	After the First Land Parcel Disposal, but before the Proposed Land Parcel Disposal	After the First Land Parcel Disposal and the Proposed Land Parcel Disposal
Loss attributable to the owners of the Company (S\$'000)	(21,829)	(14,136)	(9,371) ⁽²⁾
Weighted average number of issued Shares ⁽¹⁾ ('000)	199,210	199,210	199,210
LPS - Basic (cents)	(10.96)	(7.09)	(4.70)

Note:

- (1) This is equal to the number of issued Shares as at 31 December 2022, as there were no changes in the number of the Company's issued shares in FY2022.
- (2) The decrease in the losses attributable to the owners of the Company is due to the gain on disposal as a result of the Proposed Land Parcel Disposal.

2.10 **Directors' Service Contracts**

No person is proposed to be appointed as a director of the Company in connection with the Proposed Land Parcel Disposal. Accordingly, no service contract is proposed to be entered into between the Company and any such person.

3. **THE PROPOSED TUGBOAT DISPOSAL**

3.1 **Background**

On 30 May 2023, the Company announced that its wholly-owned subsidiary PT Marina Shipping (the "**Tugboat Seller**") had entered into a sale and purchase agreement (the "**First SPA**") with PT Pelayaran Sinar Varuna Sentosa (the "**Tugboat Purchaser**") for the sale by the Tugboat Seller and the purchase by the Tugboat Purchaser of a 1,700hp tugboat (the "**First Tugboat**", and such disposal the "**First Tugboat Disposal**"). The Company completed the First Tugboat Disposal on 29 May 2023.

LETTER TO SHAREHOLDERS

On 28 June 2023, the Company further announced that following the entry into the First SPA, the Tugboat Purchaser and the Tugboat Seller had on 26 June 2023 entered into a second sale and purchase agreement (the "**Second SPA**"), for the sale by the Tugboat Seller and the purchase of the Tugboat Purchaser of a second 1,700hp tugboat, the Drako Gallant (the "**Second Tugboat**", and such disposal the "**Proposed Tugboat Disposal**"). The Company ceased operating the Second Tugboat on the date of the Second SPA.

Under Rule 1005, in determining whether a transaction is a non-discloseable transaction, discloseable transaction, major transaction or very substantial acquisition or reverse takeover, the SGX-ST may aggregate separate transactions completed within the last 12 months and treat them as if they were one transaction. As the Group had previously sold the First Tugboat to the Tugboat Purchaser, who is also the purchaser under the Second SPA, the Group has aggregated the First Tugboat Disposal with the Proposed Tugboat Disposal in calculating the relative figures computed under Rule 1006(a) of the Mainboard Rules.

As the relative figures computed under Rule 1006(a) of the Mainboard Rules for the First Tugboat Disposal and the Proposed Tugboat Disposal on an aggregated basis exceeds 20.0%, the transactions, when viewed collectively, would constitute a "major transaction" under Chapter 10 of the Mainboard Rules. As such, the Company is convening the EGM to seek the approval of its Shareholders for the Proposed Tugboat Disposal.

3.2 Information on the Proposed Tugboat Disposal

3.2.1 Information on the Tugboat Seller

The Tugboat Seller is a wholly-owned subsidiary of the Company. The principal assets of the Tugboat Seller (excluding the First Tugboat) include the Second Tugboat and one special purpose crane work barge, all of which are utilised by the Group at the Group's Batam Shipyard, including as a tugboat for ship berthing purposes and periodical ad hoc spot charters.

3.2.2 Information on the Tugboat Purchaser

As disclosed by the Company on 30 May 2023, the Tugboat Purchaser is a company incorporated in Indonesia.

None of the Tugboat Purchaser or its directors or shareholders are "interested persons" for purposes of Chapter 9 of the Mainboard Rules.

No broker or introducer was involved in the Proposed Tugboat Disposal.

3.2.3 Information on the Tugboats

Details of the First Tugboat and the Second Tugboat are set out in **Appendix B (The Tugboats)**.

LETTER TO SHAREHOLDERS

3.3 Principal terms of the First Tugboat Disposal

As disclosed in the Company's announcement dated 30 May 2023, the terms of the First Tugboat Disposal are as follows.

3.3.1 Aggregate value of consideration

Under the terms of the First SPA, the consideration payable by the Tugboat Purchaser for the First Tugboat is S\$970,000 to be satisfied in cash.

The consideration was arrived at on a willing buyer willing seller basis, after arm's length negotiations between the Tugboat Seller and the Tugboat Purchaser, taking into account, among others, the following factors:

- (a) prevailing market conditions;
- (b) the Group's immediate and future business needs, including the Group's move towards a capital asset-light business model, as well as the operational needs of the Batam Shipyard; and
- (c) the extent to which the First Tugboat contributes to the business of the Group. Loss attributable to the First Tugboat amounted to S\$38,000 for the three-month period ended 31 March 2023 and loss attributable to the First Tugboat amounted to S\$0.23 million for FY2022.

3.3.2 Conditions to completion

The completion of the First Tugboat Disposal was not subject to any material conditions.

3.3.3 Value of the First Tugboat

The net book value of the First Tugboat as at 30 June 2023 was S\$1.0 million. As such, the consideration for the First Tugboat (i.e. S\$970,000) represents a loss of S\$30,000 to the net book value of the First Tugboat.

3.4 Principal terms of the Proposed Tugboat Disposal

3.4.1 Aggregate value of consideration

The consideration payable by the Tugboat Purchaser for the Proposed Tugboat Disposal is IDR 10,684,800,000 (approximately S\$967,000 based on an exchange rate of S\$1:IDR 11,053) to be satisfied in cash on completion (the "**Tugboat Consideration**").

Under the terms of the Second SPA, the Tugboat Consideration shall be paid to the Tugboat Seller in the following manner:

- (a) the first down payment in the amount of IDR 556,500,000 (approximately S\$50,348, based on an exchange rate of S\$1:IDR 11,053) was paid by the Tugboat Purchaser on the signing of the Second SPA;

LETTER TO SHAREHOLDERS

- (b) the second down payment in the amount of IDR 5,008,500,000 (approximately S\$453,135, based on an exchange rate of S\$1:IDR 11,053) was paid by the Tugboat Purchaser on 24 July 2023, being such date no later than the fourth week from 26 June 2023; and
- (c) the remaining balance amounting to IDR 5,119,800,000 (approximately S\$463,205, based on an exchange rate of S\$1:IDR 11,053) shall be paid by the Tugboat Purchaser at the time of the signing a notarized sale and purchase deed in respect of the Second Tugboat, which will be executed by the Tugboat Purchaser and the Tugboat Seller after the approval of Shareholders has been obtained.

The Tugboat Consideration was arrived at on a willing buyer willing seller basis, after arm's length negotiations between the Tugboat Seller and the Tugboat Purchaser, taking into account, among others, the following factors:

- (i) prevailing market conditions;
- (ii) the Group's immediate and future business needs, including the Group's move towards a capital asset-light business model, as well as the operational needs of the Batam Shipyard; and
- (iii) the extent to which the Second Tugboat contributes to the business of the Group. Loss attributable to the Second Tugboat amounted to S\$51,000 for the three-month period ended 31 March 2023 and loss attributable to the Second Tugboat amounted to S\$0.22 million for FY2022.

No valuer was appointed to value the Second Tugboat for purposes. The Company notes that (i) the Tugboat Consideration is not far from the net book value of the Second Tugboat. The net book value of the Second Tugboat as at 30 June 2023 was S\$1.0 million. Please refer to section 3.5 for more details; (ii) in line with the Group's strategy to move towards a capital asset-light business model and the Group's intention to exit the shipping business, the Group has been trying to sell the Second Tugboat for more than one year. The Board views the Proposed Tugboat Disposal as an opportunity to dispose of the Second Tugboat in light of the Group's immediate and future business needs.

3.4.2 Conditions to completion

Completion of the Proposed Tugboat Disposal is conditional upon the Tugboat Seller obtaining the necessary approvals from the Board and its Shareholders. Save for this, there are no material conditions attaching to the Proposed Tugboat Disposal. There is no long-stop date under the Second SPA.

3.5 Value of the Second Tugboat

The net book value of the Second Tugboat as at 30 June 2023 was S\$1.0 million. As such, the Tugboat Consideration (i.e. S\$967,000) represents a loss of S\$33,000 to the net book value of the Second Tugboat. As the Company ceased operating the Second Tugboat on 26 June 2023, being

LETTER TO SHAREHOLDERS

the date of the Second SPA, the Company expects to record an operating loss of S\$120,000 in relation to the Proposed Tugboat Disposal for the six-month period ended 30 June 2023 and for FY2023.

3.6 Use of proceeds

The Company intends to use the net proceeds of the Proposed Tugboat Disposal to repay its bank and other borrowings and for the general working capital of the Group.

3.7 Rationale for the Proposed Tugboat Disposal

Following the First Tugboat Disposal, the Proposed Tugboat Disposal is in line with the Group's strategy to move towards a capital asset-light business model and the Group's intention to exit the shipping business, following the discontinuation of its cattle line business.

In addition, the Proposed Tugboat Disposal marks an opportunity for the Group to reduce its borrowings, reduce interest, improve net current liability position and free up cash for the Group's other business segments that are generating positive returns and to reduce the risk of potential vessel impairment in view of prevailing market conditions.

3.8 Relative figures computed on the bases set out in Rule 1006 of the Listing Manual

The relative figures of the First Tugboat Disposal and the Proposed Tugboat Disposal on an aggregated basis under Rule 1006 of the Mainboard Rules based on the audited financial statements of the Group for FY2022 are set out below. In calculating the relative figures, the Company has adopted the audited financial statements of the Group for FY2022 as the First Tugboat Disposal was completed prior to 30 June 2023.

Rule 1006	Bases	Relative Figures (on an aggregated basis) (%)	Relative Figures (Second Tugboat Disposal) (%)
(a)	Net asset value of the assets to be disposed of, compared with the Group's net asset value	32.55 ⁽¹⁾	16.28 ⁽¹⁾
(b)	Net profits attributable to the assets acquired or disposed of, compared with the Group's net profits	2.06 ⁽²⁾	1.02 ⁽²⁾
(c)	Aggregate value of the consideration given or received, compared with the Company's market capitalisation based on the total number of issued Shares excluding treasury shares	12.63 ⁽³⁾	6.30 ⁽³⁾

LETTER TO SHAREHOLDERS

(d)	Number of equity securities issued by the Company as consideration for an acquisition, compared with the number of equity securities previously in issue	Not applicable	Not applicable
(e)	The aggregate volume or amount of proven and probable reserves to be acquired, compared with the aggregate of the Group's proven and probable reserves	Not applicable	Not applicable

Notes:

- (1) The net asset value as at 31 December 2022 of the First Tugboat and the Second Tugboat is approximately S\$1.0 million and S\$1.0 million respectively, for an aggregate of approximately S\$2.0 million. The Group's net asset value attributable to Shareholders as at 31 December 2022 was S\$6.14 million.
- (2) The net loss attributable to the First Tugboat and the Second Tugboat for FY2022 was S\$0.23 million and S\$0.22 million respectively, for an aggregate of approximately S\$0.45 million. The Group's net loss attributable to Shareholders as at 31 December 2022 was S\$21.83 million.
- (3) The aggregate value of the consideration for the First Tugboat Disposal and the Proposed Tugboat Disposal is S\$0.97 million and S\$0.97 million respectively, for an aggregate of approximately S\$1.94 million. Under Rule 1002(5), the market capitalisation of the Company is determined by multiplying the number of shares in issue by the weighted average price of such shares transacted on the Market Day preceding the date of the sale and purchase agreement. Based on such shares transacted on 26 June 2023, the Company's market capitalisation was S\$15.40 million.

As the relative figures for the First Tugboat Disposal and the Proposed Tugboat Disposal on an aggregated basis computed under Rule 1006(a) of the Mainboard Rules exceeds 20.0%, the transactions, when viewed collectively, constitute a "major transaction" under Chapter 10 of the Mainboard Rules. As such, completion of the Proposed Tugboat Disposal is conditional upon the approval by the Shareholders at the EGM.

LPS - Basic (cents)	(10.96)	(10.92) ⁽³⁾	(10.90) ⁽³⁾

Note:

- (1) This excludes the financial effects of the Group's disposal of the First Land Parcel Disposal and the Proposed Land Parcel Disposal.
- (2) The decrease in loss attributable to owners of the Company is due to the net gain on disposal as a result of the First Tugboat Disposal and the Second Tugboat Disposal.
- (3) As the above illustration is on the basis that the First Tugboat Disposal and the Proposed Tugboat
