The Proposed Share Consolidation will have no impact on the dollar value of the issued and paid-up share capital of the Company. The Proposed Share Consolidation will also not involve the diminution of any liability in respect of unpaid capital or the payment to any Shareholder of any paid-up capital of the Company, and has no effect on the Shareholders' funds of the Group. Shareholders will not be required to make any payment to the Company in respect of the Proposed Share Consolidation. The Proposed Share Consolidation will not

cause any changes to the percentage shareholding of each Shareholder, other than non-material changes due to rounding.

## 2.2 Rationale for the Proposed Share Consolidation

The Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) and the Monetary Authority of Singapore had introduced, with effect from 2 March 2015, a minimum trading price of S\$0.20 for Mainboard-listed stocks as a continuing listing requirement (the “**MTP Requirement**”).

Pursuant to the MTP Requirement, issuers who are unable to record a six-month volume-weighted average price of its Shares of S\$0.20 or above at each of the quarterly review dates, which will first commence in March 2016, will be placed on the watch-list. Affected issuers who fail to take remedial actions during the cure period of 36 months may be delisted from the Mainboard of the SGX-ST.

Accordingly, the Board believes that the Proposed Share Consolidation will generally be beneficial to the Company and its Shareholders in facilitating compliance with the MTP Requirement.

## 2.3 Adjustment to Outstanding Redeemable Convertible Bonds (“**Bonds Adjustment**”)

The Company had issued in aggregate of 10 redeemable convertible bonds (“**Bonds**”) at the issue price of S\$500,000 per Bond (ie. S\$5,000,000 in aggregate principal amount) to certain subscribers on 27 April 2015.

The number of new Shares to be delivered on conversion of a Bond will be determined by dividing the principal amount of the Bond to be converted by the conversion price of S\$0.21 per Shares (“**Conversion Price**”). The alteration to the number of Shares as a result of the Proposed Share Consolidation will constitute an event giving rise to an adjustment to the Conversion Price

The Company will carry out the adjustment in accordance with the terms and conditions of the Bonds. Further announcement(s) will be made by the Company in respect of the Bonds Adjustment as and when appropriate.

- (b) the approval of Shareholders by way of an ordinary resolution at an extraordinary general meeting of the Company (the “**EGM**”) to be convened to approve, *inter alia*, the Proposed Share Consolidation.
