In the recent years, the Group has been prioritising cost minimisation and deleveraging initiatives, while focusing on monetising fixed assets and high-potential business segments within its core business divisions to create new growth catalysts.

Mr Yong Jiunn Run, Chief Executive Officer of Beng Kuang Group, said: *“The cash proceeds from both sale transactions of our Batam shipyard property are expected to significant boost our liquidity resources. Coupled together with the rest of our deleveraging initiatives, it will allow us to stay nimble and agile in navigating through the current rising interest rate environment.*

More importantly, it provides a stronger financial footing for us to pursue high-growth opportunities within our Infrastructure Engineering and Corrosion Prevention business segments where we have an entrenched market position and strong technical competencies.

We see good business prospects in the marine and offshore industries and the momentum we gained so far underpins our confidence for the year ahead.”
