ABOUT US

Nexus Sealand Trading Pte Ltd has been in the Supply & Distribution operations for more than 13 years. Establishing itself as one of the frontrunners in the hardware supplies business, it makes its supplies to the marine, onshore/offshore, oil & gas and construction industries.

Evolving over the years from its humble beginnings as a purchasing department to a fully fledged supply and distribution base which provides a plethora of goods and hardware through its inventories, NST caters to an extensive list of local clientele from a myriad of business practices and industries.
