

Presented to

Picco Enterprise Pte Ltd

***in acknowledgement of Membership of the
Packaging Partnership Programme***

As a member, this organisation has agreed to reduce packaging waste through:

1. Working together with other members to:
 - a. actively participate in the PPP; contributing to the objectives of the PPP, and
 - b. provide support in reaching out to more members to join the Programme
2. Exchanging information to support industry compliance with the Mandatory Packaging Reporting (MPR).
3. Developing and implementing programmes to raise industry and consumer awareness on the need to reduce, recover and recycle packaging waste.
4. Developing and implementing programmes to raise industry and consumer awareness on the need to reduce, recover and recycle packaging waste.
5. Promoting the Packaging Partnership Programme and Logo for Products with Reduced Packaging (LPRP).
6. Developing sustainable markets for recovered/recycled packaging materials.

Matt Kovac
